

Scope and Research Areas of the Journal

Agricultural Sciences

Agricultural Biotechnology, Agricultural Chemistry, Agricultural Diversification, Agricultural Education, Agricultural Economics, Agricultural Geography, Agricultural Philosophy, Agricultural Marketing, Dairy and Animal Science, Agricultural Engineering, Agricultural Policy, Multidisciplinary Agriculture, Agronomy & Horticulture, Agroecology, Agrophysics, Biological Engineering, Entomology, Plant Sciences, Environmental Sciences, Fisheries Science, Food Science & Technology, Forestry, Soil Science, Veterinary Sciences, Water Resources and any other allied Subjects of Agricultural Sciences.

Arts and Humanities

Archaeology, Architecture, Art, Asian Studies, Classics studies, Cultural studies, Dance, Film, Radio, Television, Folklore, History, History of Science, Humanities, Multidisciplinary, Language and Linguistics, Literary Reviews, Literary Theory and Criticism, Literature, Medieval and Renaissance Studies, Music, Philosophy, Poetry, Religion studies, Theatre, Physical Education and Sports Science, Textiles and Apparel Designing and any other allied Subjects of Arts and Humanities.

Biological Sciences

Biodiversity Conservation, Biology, Miscellaneous Biology, Ecology, Evolutionary Biology, Botany, Developmental Biology, Entomology, Limnology, Marine & Freshwater Biology, Mycology, Ornithology, Reproductive Biology, Zoology and any Other Allied Subjects of Biological Sciences.

Chemical Sciences

Applied Chemistry, Multidisciplinary Chemistry, Analytical Chemistry, Inorganic & Nuclear Chemistry, Organic Chemistry, Physical Chemistry, Crystallography, Electrochemistry, Polymer Science, Spectroscopy, Biochemistry & Microbiology and any other allied Subjects of Chemical Sciences.

Commerce and Management

Management Accounting, Business Planning, Advertising, Banking & Insurance, Accounting System, Financial Markets, Institutions & Financial Services, Industrial Laws, Organizational Behaviour, Human Resource Management, Cost Accounting, Business Mathematics, Management Applications, Computer Applications, Auditing & Corporate Governance, Financial Management, Entrepreneurship, Collective Bargaining, Negotiation Skills, E-Filing of Returns, Cyber Crimes & Laws, E-Commerce, Training & Development, Marketing & E-Marketing, Personal Tax Planning, Environmental Studies, Business Communication, Financial Accounting, Corporate Accounting, Business Laws, Corporate Laws, E-Filing of Returns, Cyber Crimes & Laws, Taxation, Tax Law & Practice, Management like Strategic, Sales, Marketing, Public Relations, Operations, Supply Chain, Procurement, Financial & Accounting, Human Resources, Information Technology, Research & Development, Engineering, Programme, Project, Risk, Quality, Innovation, Design, Facility, Knowledge and any other allied Subjects of Commerce and Management.

Engineering and Technology

Automation & Control Systems, Aerospace Engineering, Computer Science, Artificial Intelligence, Cybernetics, Hardware & Architecture, Information Systems, Interdisciplinary SCI, Software Engineering, Construction & Building Technology, Energy & Fuels, Multidisciplinary Engineering, Biomedical Engineering, Environmental Engineering, Chemical Engineering, Industrial Engineering, Manufacturing Engineering, Marine Engineering, Civil Engineering, Ocean Engineering, Petroleum Engineering, Electrical & Electronic Engineering, Mechanical Engineering, Geological Engineering, Ergonomics, Nanoscience & Nanotechnology, Instruments & Instrumentation, Operations Research &

BJAR (<https://bjar.in>)

A Quarterly Peer Reviewed, Open Access, Referred, International Journal of Academic Research

| Bundelkhand Journal of Academic Research (BJAR) |

Management Science, Materials Science, Paper & Wood, Ceramics, Biomaterials, Characterization, Testing, Coatings & Films, Composites, Textiles, Multidisciplinary Materials Science, Metallurgy & Mining, Robotics, Remote Sensing, Imaging Science & Photographic Technology, Telecommunications, Transportation, Transportation Science & Technology, Mining & Mineral Processing, Architecture, Industrial Design and any other allied Subjects of Engineering and Technology.

Medical and Health Sciences

Anatomy & Morphology, Biochemical Research Methods, Biochemistry & Molecular Biology, Cell & Tissue Engineering, Biophysics, Biotechnology & Applied Microbiology, Cell Biology, Medicinal Chemistry, Cytology & Histology, Genetics & Heredity, Mathematical & Computational Biology, Immunology, Microbiology, Microscopy, Neurosciences, Parasitology, Pharmacology & Pharmacy, Physiology, Allergy, Andrology, Anesthesiology, Biological Psychology, Oncology, Cardiac & Cardiovascular System, Critical Care Medicine, Clinical Psychology, Emergency Medicine, Dentistry Oral, Surgery & Medicine, Dermatology, Substance Abuse, Psychology Educational, Health Care Sciences & Services, Endocrinology & Metabolism, Gastroenterology & Hepatology, Geriatrics & Gerontology, Gerontology, Haematology, Psychology Developmental, Infectious Diseases, Psychology Applied, Integrative & Complementary Medicine, Medical Ethics, Medicine Legal, Medical Informatics, Medical Laboratory Technology, Medicine General & Internal, Medicine Research & Experimental, Clinical Neurology, Neuroimaging, Nursing, Obstetrics & Gynaecology, Ophthalmology, Orthopedics, Otorhinolaryngology, Pathology, Paediatrics, Rehabilitation, Psychiatry, Respiratory System, Rheumatology, Radiology Nuclear Medicine & Medical Imaging, Sport Sciences, Surgery, Toxicology, Transplantation, Tropical Medicine, Urology & Nephrology, Peripheral Vascular Disease, Virology, Ayurveda, Home Science, Homoeopathy, Physiotherapy, Audiology & Speech-Language Pathology, SIDDHA, Unani, Public Health, Hospital Administrations, Forensic Science, Yoga, Optometry.

Physical Sciences

Geochemistry & Geophysics, Physical Geography, Geology, Multidisciplinary Geosciences, Meteorology & Atmospheric Sciences, Mineralogy, Oceanography, Paleontology, Acoustics, Astronomy & Astrophysics, Thermodynamics, Applied Mathematics, Mathematics, Nuclear Science & Technology, Optics, Applied Physics, Fluids & Plasmas Physics, Atomic, Molecular & Chemical, Atomic, Molecular & Chemical, Multidisciplinary Physics, Condensed Matter Physics, Nuclear Physics, Particles & Fields Physics, Mathematical Physics, Statistics & Probability, Theoretical High Energy Physics, Interdisciplinary Applications Mathematics and any other allied Subjects of Physical Sciences.

Social Sciences

Anthropology, Business, Cultural Studies, Communication, Criminology and Penology, Demography, Economics, Education and Research, Environmental Studies, Ergonomics, Ethics, Ethnic Studies, Family Studies, Finance, Geography, Gerontology, Health Policy and Services, History, Hospitality, Sport & Tourism, Industrial Relations and Labour, Library and Information Science, International Relations, Law, Linguistics, Management, Nursing, Planning and Development, Political Science, Psychiatry, Psychology & Applied Psychology, Public Administration, Public, Environmental and Occupational Health Rehabilitation, Social Issues, Biomedical Social Sciences, Interdisciplinary Social Sciences, Mathematical Social Sciences, Social Work, Sociology, Transportation, Urban Studies, Feminist Studies, and any other allied Subjects of Social Sciences.
